10 April 2016

Dear Members,

Despite the weather outside, we are now truly into Spring as indicated by the blossom which is appearing on the plum and damson trees in the orchard- more work later on !!

Our next meeting will be on Thursday 21 April at 2 PM in the Studio, Common Lane, Blandford. DT11 7TE. The Speaker we will be welcoming is Kathy McNally, who will be giving her talk "Ian Fleming; The making of the man who made James Bond". Sounds like one not to be missed, so please make every effort to come along, and as Alan Rickman famously said in the Robin Hood movie; "bring a friend"!

Isabel is now back home again at Savoy Court in Shaftesbury after a 3 week spell in a Gillingham Nursing Home. Her daughter Bridget with Agency help, has now arranged 24 hour care for her mother to enable her to be at home. She would love to see anyone who happens to be in Shaftesbury, so if you need further details, please do not hesitate to contact me. I know that June has been in touch with Isabel recently.

A note for your diaries; our AGM this year will as usual be in September on the 15th at 2 PM in the Studio when one of the Dorchester Cardiac team will be in attendance to deliver their report on events and developments in Dorchester County Hospital.

Not a lot more news this month except to say that Betty has added further material and adjustments to our BHF website.

PTO

Take it easy with the gardening and try not to overdo it as I have done this past week as my back is telling me !!

Please let me know if you have recently acquired an e mail address (to save on postage), or if you no longer wish to receive these Newsletters ?

All Good Wishes

Ray Suter
