

Blandford Heart Forum (BHF)

January 2016 Newsletter

(www.blandfordheartforum.org.uk)

Dear Members,

Already into the 2nd week of the New Year and it is still raining ! I do hope you enjoyed a very Happy Christmas and managed to avoid that dreadful viral 'bug' which has laid so many low over the festive season.

Firstly, and moving on, our next meeting is on Thursday the 21 January at 2 PM in the Studio, Common Lane , Blandford. Do try to make it and let me know if you require transport to get there ? It is so important to see as many of you as possible to ensure the continuity of our Group. I cannot emphasise enough that if our numbers fall below a critical level there is every possibility that the BHF will cease to exist. Our Speaker on the 21st January will be Mrs. Marriott who's subject is "Joyce Grenfell meets Stanley Holloway".

Talking of Speakers, we try to obtain new and interesting Speakers for our monthly meetings, and during the coming months, I believe we have achieved this . Details of all these can be seen on our website as shown at the top of this letter.

Betty does a grand job keeping our website updated and you will find from January a number of new important contact details. I heard from Margaret Hemus before Christmas who informed me that regrettably she was moving up to the Midlands to be close to her daughter and would no longer be able to attend. We shall miss Margaret who has been so active in Blandford in working for the Blind Association including a devoted commitment to fund raising.

As I mentioned in my previous Newsletter, please let me know if you no further require this Newsletter and do not wish to continue as a member of the BHF. Sending Mail does not come cheap these days, but we are happy to continue as long as you wish to receive the BHF Newsletter.

Take Care and All Best Wishes
