May 2016 Newsletter

8 May 2016

Dear Members,

I think we can say, with the outdoors temperature hovering around 24 C , that we are getting close to Summer !

Our next meeting will be on Thursday 19 May at 2 PM in the Studio, Common Lane, Blandford DT11 7TE. Our Speaker will be Stuart Gillespie who will be talking about "Remembering Great Entertainers". Although we had some excellent speakers over the past few months costing in the region of £55/meeting, attendance by members has been pretty disappointing despite strong encouragement to support the Group in my Newsletters. It is appreciated that often it is difficult, due to other commitments and illness to attend every meeting, but as I have said before, please make the effort to come if you can, and if you want the Group to continue in Blandford .. If transport is a problem please let me know ?

Looking forward to the Autumn (already !) our AGM will be on 15 September in the Studio , when one of the cardiology team in Dorchester County Hospital will be addressing the members on recent developments in cardiac procedures and taking questions. In October , we hope to persuade the Senior Pharmacist in Dorchester hospital to talk about cardiac related drugs, their applications and usage.

Looking forward to see you soon ! Next committee meeting is on 2 June.

All Best Wishes Ray Suter (Tel; 01258 860787)
