

Blandford Heart Forum (BHF)

Newsletter for April 2015.

Dear Members,

Our next meeting will be held on 16 April at 2,45 PM, but in a new venue at The Studio, Common Lane, off East Street, Blandford, behind M & Co. Sadly, despite Hugh's supreme efforts, the Matron at Blandford Hospital would not agree to our meetings being held there as we had hoped. Our Speaker at April's meeting will be Mr. Peter Preen who will be delivering his talk "Lawrence of Arabia; from Childhood to Fame". A very interesting and historical subject. Ample car parking should be available close to The Studio.

We have 8 members for the Garden Club visit to RHS Rosemoor on the 21 April and we will now be picking up in Blandford in the Co op car park at 9.20 AM , not 8.30 AM as previously mentioned. The coach leaves the Portman Hall in Shillingstone at 9 AM before proceeding to Blandford and on down the Dorchester Road- the Coach driver's preference.. If anyone wishes to add their name at this late stage, there may possibly be the odd seat left. Call me if you are interested ?? £10/person all included except food.

The next meeting of the Committee will be on the 7 May at 10.15 AM in the Committee Room of Blandford Hospital. If anyone wishes to raise a subject at this meeting, please contact either Hugh or myself before the meeting. Do not forget to view our website www.blandfordheartforum.org.uk for news and forthcoming events.

Take care and don't go crazy in the garden, you will need some strength left to cope with this upcoming General Election on the 7th May !!!

All best Wishes

Ray Suter
