

October 2015 Newsletter.

Dear Members,

Autumn would appear to be here with the leaves changing to their beautiful colours and beginning to fall, although no one can grumble at the current temperature !

Although I was away on holiday when the AGM took place on the 17 September , I understand that Fraser Witherow gave an excellent account of the work of the Dorset County Hospital Cardiologists and their valuable contribution to our Health and Wellbeing. Hugh has recorded in his minutes of the Committee Meeting on 1st October, that the AGM was well supported by the membership with 18 attending. Our grateful thanks to Fraser for giving up his valuable time on the 17 September.

Our next meeting will be on 15 October at 2.30 PM when our speaker will be Tracey Palmer who is the Stroke Coordinator in this area for the Stroke Association. As previously , our meeting will be held in the Studio , Common Lane , Blandford, DT11 7HE. Look forward to seeing you ! You may have been aware that there has been some uncertainty over our continued use of the Studio. Thankfully , for the time being we can carry on using the Studio under an agreement with the Property Owners called "Tenancy at Will"

Andy Munden, our Treasurer, has formally tendered his resignation from the BHF . We thank Andy for his help and dedication over the past few years and wish him well in his future activities in setting up a new Business. We now need urgently to find a replacement Treasurer to fill Andy's adequate shoes. Should anyone come to mind, please do not hesitate to let either Hugh or myself know as soon as you can ?

The date of our Christmas Party will be decided at our next Committee meeting on the 5th November.

All Good Wishes

Ray Suter 6 October 2015
