

6th February, 2013

Dear Members

The purpose of this letter is to remind you that we shall be meeting on Thursday 21st February in the Williams Williams Hall at the usual time, to hear Audrey Holloway talk about "Growing Up in the 40s and 50s" - a subject, I suspect, that most of know something about. Let's go down memory lane, as Mike would say.

As to the second purpose; "The time has come" the Walrus said, "to talk of many things," and the thing I need to talk about is my decision to stand down as Chairman of the Blandford Heart Forum. As many of you know, I have not been hale and hearty during the past few months and I think the time has come for me to free myself from the responsibility of writing the monthly letter, sending it to all of you, chairing the Committee meetings, etc. I have had wonderful help over the years from fellow Committee members – I must single out Raymond, our Speakers' Secretary-you loyal members of the Forum and especially, from my husband, Mike, who has unfailingly solved my computer problems.

I shall speak more about the future of our group-especially the need to recruit new members-at the meeting on February 21st, when I hope to see you. Meanwhile, enjoy the longer days and keep away from those fierce winds

Sincerely,

Isabelle Weiner
