

Blandford Heart Forum (BHF)

July 2014 Newsletter.

Dear Members,

Our next meeting in the Williams Opportunity Hall, Blandford will be on Thursday 17 July at 7 PM. We have two speakers for you on the occasion; Penrose Halson who's subject is "Marriage Bureau Experiences" and Kay Elliot from the British Heart Foundation in Dorchester, who will be speaking about the work of the BHF and its achievements. All are welcome to attend our meetings, so don't hesitate to bring along friend and relatives if you wish.

On behalf of the BHF, Lisa and Richard attended the "Networking Event" organised by the DT11 Forum, which was a forerunner of the "Health and Well being" event to be held in September, centred around the Sealy Suite in the Crown Hotel in Blandford. Richard and Lisa found the experience very rewarding and met many others from various organisations in the Blandford Area involved in many kinds of support for Health in the Community and Welfare, spanning all ages. As you know, we will be holding our AGM on the 18 September in the Sealy Suite in conjunction with the DT11 Forum event; full details of all this will be given in the September Newsletter. It will be a great opportunity to meet other people there who represent other Health and Well being organisations, together with interested members of the public. Please make every effort possible to attend and make a note on your calendars and diaries Right Now!

There are no meetings in August, our next Committee Meeting being scheduled for the 4 September at 10AM in Blandford Hospital.

Please do not forget to look at our website: www.blandfordheartforum.org.uk to keep abreast of events and news, and please let me have details of anyone changing or acquiring a new email address.

All best Wishes and enjoy a lovely summer wherever you are.

Ray Suter. Tel; 01258 860787
