

BLANDFORD HEART FORUM GROUP (BHF)

June 2013 newsletter

Since writing the April 2013 Newsletter, our weather has improved and we may be seeing the beginning of a REAL Summer this year ??

Firstly, may I remind you of our next meeting on the 20 June at the Williams Opportunity Hall when our Speaker will be Mr. Guy Foote. He will be delivering his talk "My Life as a Butler". We look forward to seeing you there. On the subject of "Seeing you there", our Treasurer Andy Munden, has brought to our attention in recent Committee Meetings, the pressing matter of a deficit of £570 over the past year, compared to relative "Solvency" previously. We therefore urge you to give us your continued support whenever you can to keep the BHF going in the Spirit it was created by Isabel back in 1994. Over the years, it has given comfort and considerable benefit to many; so please come along whenever you can. If transport is a problem, then please contact any member of the Committee (telephone number to be found on your Programme) and we will try to arrange transport for you.

We have some really excellent Speakers lined up over the coming Months- almost unmissable I would say !!

We were all saddened to learn of the death of Myrtle Leak ; our sincere condolences go out to Doug and the family at this time.

Finally, one last word on the question of sustaining (even increasing) the membership of BHF, the Committee at our recent meeting on the 6 June decided to approach all Cardiac Nurses in addition to GP's in the Blandford, Sturminster and Okeford areas to further the advertising of BHF and target Cardiac Patients currently unaware of our Group.

All Best Wishes

Ray Suter 8 June 2013.
